

Roshni Helpline Newsletter February 2025

Video content

This month, we are sharing a missing child appeal and a video of a recovered child being reunited with her mother.

Roshni wins another KHI Award

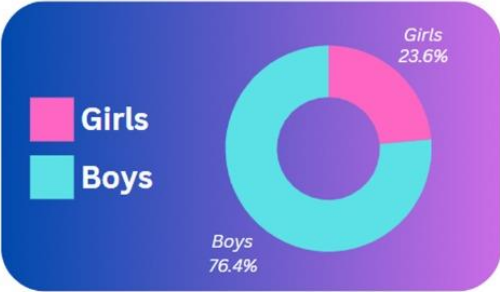

We are delighted to share that Roshni Helpline has won yet another award at the KHI Awards this year. The KHI Awards are Pakistan's most prestigious awards for social welfare organizations, and we are proud to be winners for 4 years in a row.

This year, we won in the Safety category for our police training project, which builds the capacity of police forces throughout Pakistan to handle missing children cases. We would like to thank our entire team, our dedicated volunteers and partners, and all of you who support us in numerous ways for making all this possible.
