

Roshni Helpline

Newsletter June 2025

Video content

This month, we are happy to share two videos of recovered children being reunited with their parents.

Volunteer Orientation Session

A wonderful group of newly recruited volunteers, including staff from our corporate partner K-Electric, visited Roshni's office for their orientation and on-boarding session. The team received an in-depth presentation on Roshni Helpline's work, participated in a preliminary training exercise and signed up for various roles in our volunteer program.
